6. Practice Update

SA updated the meeting on the following topics:

Care Navigation This is a new system that we want to adopt to try and ensure that the patient reaches the correct person first time, ie ANP/Nurse/Pharmacy.

New Receptionists: We have taken on two new receptionists one of which will transfer to admin at a later date to assist with document workflow.

Apprentice: Unfortunately our apprentice is no longer working at the practice.

Liz Searle: Liz has left BFP to go and work as an Operations Manager with Brent at Gaywood House Surgery.

At this point SA said that she would be taking over from Brent in the interim period before the start of the new Practice Manager. She expressed her thanks for all that Brent had done for the practice and wished him well for the future.

Next Meeting: Thursday 19th April 3.30pm

The Patient Participation Group plays an important role in the life of Bedminster Family Practice. If you want to get involved, please ask a receptionist
